Fall/Winter 2022-2023

FAQ's

Mission:

The objective of The St. James Hockey Academy is to provide a highly competitive and supportive learning environment where players of all age groups can maximize the development of their individual athletic skills. Our focus is on mentoring; developing and shaping the character of the young men and women that participate in The St. James Hockey Program. These objectives are achieved through a fun, intensive and expansive on and off-ice training regimen under the direction and supervision of the dedicated coaches and staff.

The St. James Membership:

STJ Membership is not required to participate in the travel hockey program. Members of The St. James receive 20% off academy fees, clinics, private and semi-private lessons, stick and puck, camps and tryout fees. Players must have an active membership by September 1st, 2022 and hold their membership throughout the hockey season to receive the membership discount.

Please contact Latasha Thomas-Jacobs if you are interested in becoming a member of The St. James at Latasha.thomas-jacobs@thestjames.com.

Coaches and Culture:

At STJ Hockey Academy we aim to provide a positive structured learning environment for our student-athletes; an arena that fosters personal growth, character, and athletic development. Ultimately advancing quality individuals who are prepared to lead on and off the ice. Our program is committed to the development of all student-athletes by placing an emphasis on:

- Quality coaching;
- Fundamental skill development through proper instruction and repetition;
- Instilling values of character, integrity, sportsmanship, and teamwork;
- Having fun
- Respect the game and all involved including but not limited to; teammates, coaches, opponents, referees, parents, and arena staff

Winter Holiday Break	12/19/2022-01/02/2023

*Camps and lessons will be available during the above off dates.

Commitment:

Travel hockey is a large time and financial commitment. We expect our players to attend every practice and every game. Hockey is the ultimate team game requiring the commitment of each individual for the betterment of the entire group. While we understand and support our players participating in other sports and activities, we require clear and accurate communication if a player anticipates missing team events prior to accepting a roster spot. Tournaments and weekend overnight trips should consistently take priority over other sports and activities.

New for the 2022-2023 season we will be implementing a club-wide commitment policy. Missing a practice or off ice session without communicating with your coach will result in a one period suspension for the next game. Players who miss a game without communicating with their coach will sit the following game. Players who consistently miss practices and/or games for other sports/activities or for their school teams will receive less in-game playing time compared to teammates who are regularly and consistently attending practices and games.

Equipment Ordering & Cost:

STJ works with BSN Sports to fully equip our travel academy. The BSN MyTeam store will be open ONE time for required equipment and orders take 8 to 10 weeks to be processed and delivered.

Required equipment must be purchased during our May MyTeam store. We highly recommend only ordering jerseys if your player is new to STJ or if their current STJ jersey does not fit. If your player is apt to misplace equipment, we suggest ordering multiple pairs of game socks.

PureHockey team stores will open once in June and once again in October to ensure holiday gifts arrive on time. Membership discounts **cannot** be applied to equipment costs. PureHockey team stores will feature optional apparel such as hats, shirts, sweatshirts, sweatpants, backpacks and more.

We encourage families to use our STJ Hockey Facebook group to trade or sell used STJ gear or hockey equipment. Items such as game socks, shells, helmets, gloves, skates and even old jerseys can be reused when players grow out of their equipment.
