

THE ST·JAMES

HOCKEY

STJ Hockey Families,

Starting with the 2023-2024 Fall/Winter Hockey Academy season, there will be a modification to member-initiated discounts on season dues. Members of The St. James will continue to receive all their member benefits and 20% discount off of lessons, programming, camps, clinics and our House League but will no longer receive a discount off STJ Travel Academy season dues.

Moving forward, STJ Travel Hockey families will instead be offered a 20% discount off monthly membership dues for the primary member on their account. If you are a current member, please reach out to our Sales Office in person or by calling 703-239-6870 and they can activate the discount on your membership. If you are not yet a member but would like to become one, please visit our Sales Office in-person or call the number above to become a member today!

While the membership discount is no longer applicable to travel academy dues, we will continue to honor our 20% goalie discount and will be implementing a new sibling discount policy. Families with multiple travel players will receive 10% off the dues of their second child and 15% off dues on the third, fourth and fifth child playing hockey for STJ.

Best,
The St. James Hockey Team
